NO SCHOOL

Dear Weekday School Families,

Welcome OCTOBER! The days are busy and fast here at the Weekday School – the children have adjusted to their new routines and spend their time engaged with learning activities, materials, and most importantly FRIENDS!! Thank you for joining us in this new preschool year adventure and helping us keep our school safe and healthy!!

Wishing you well, Ms. Christen

Process Art at Weekday School

Process art is an open-ended activity that is all about the experience the children have while they are creating. The end product isn't the focus of process art. It allows children the chance to **explore the world around them, ask questions, and see how things work**. They make their own decisions about style color, medium, and just create! The end product may not have a recognizable form but children have utilized gross and fine motor skills in conjunction with sensory perceptual skills to explore the process of **creating without limits**.

Weekday School Parking

Would you like a guaranteed parking space in our lot for an entire month? One that is close to the main entrance? Then bid on our Director's Space! Every month, on the LAST day of the month, bidding will start for that parking space to be used starting the next day for the entire month! Use the link below to bid...
